This classic backpack-drawstring pack is something that everyone can find a use for making it an ideal gift for that complicated cousin of yours. From gym bag to travel bag to reusable shopping bag, there is little that this little bag won't do.

The bag is both comfortable enough to be worn all day like your favorite pair of sweatpants, yet cool enough to get you in the door at any boujee bar, cliché club, or Michelin-rated restaurant.

Perfectly placed pockets keep the criticals close by, waxed Swamp Canvas keeps everything protected, and the Top Shelf Buffalo Leather provides our signature DamnDog attitude. This is going to be the bag that will become your daily go-to.

## A004 - DAD CAP

Time to wear a modern day crown and be the king of all that you see...or at least cover up your embarrassing bed-head.

The DamnDog Dad Cap pays homage to the coolest of the cool: the Father figures in our lives who boldly defy fashion trends in order to staunchly support the style they are accustomed to. With this cap, you proudly follow in their footsteps and declare yourself an independent thinker immune to whatever fads seem to dominate the landscape.

The hat is made from broken-in cotton, making it feel like you have owned it for 20 years. The brim is bendable in the best way possible. The adjustable sizing strap uses metal hardware because you deserve better than that crappy plastic snap closure thing found on overpriced trucker hats that saturate the cities.

Now, as an additional bonus, the DamnDog Dad's Cap is capable of helping protect against harmful solar UV rays thanks to Advance Technology\* (<--a brim)!

Basically, this timeless piece of headgear is going to become the best damn accessory in your closet.

- Color: Charcoal Gray
- One size fits most
- To use, place on head and look awesome
- Advance technology\* helps protect against UV rays

## 014 - SMALL HAUL

DIMENSIONS: 16" x 15.25" x 10" (diameter)

Tar Black

that counts...

Swamp Green

Rebel Gray

Based off the classic US military “Seabag” that countless troops have hauled from home to Hell and back, our version is more practical in both size and design for day to day use in our domestic DMZ. A wide drawstring opening lets you quickly toss in all the organic, free-range, heirloom tomatoes you proudly bought at that hyper hipster farmer’s market. And if you are just as into burning calories as you are at buying them, then the Small Haul makes a great gym bag too. It easily fits a pair of sneakers, a stick of deodorant and a water bottle filled with whatever creatine filled concoction so many meat heads swear by.

Multiple zippered pockets, an adjustable shoulder strap, and a thick Top Shelf Buffalo Leather base plate, means the Small Haul is packing some big features making it just so damn useful.

- Body: Swamp Canvas
- Lining: Lightweight, light colored, textured lining
- Top Shelf Leather straps and accents
- Riveted reinforcement
- Double stitched stress points
- Pockets: External snap flap closure pocket. 1 external zippered pocket. Internal slip pockets. 1 internal zippered pocket (to store the important stuff)
- Carrying Options: Removable adjustable shoulder strap, top grab handle
- Leather cord drawstring closure and thick leather base
- Not vegan. Not vegetarian. Not edible.

## WASHED DOG FACE SHIRT

Cool kids wear cool shirts. And cool shirts have to look like you bought them from the local thrift shop. Plus they need to feel as broken in as that pair of jeans you have owned since college.

Our classic shirt is beautifully blended from a mix of cotton and polyester to keep you comfortable even in the Deep South's humidity. This ridiculously soft shirt is reminiscent of a favorite, well-worn, threadbare concert shirt. We achieve this by taking each shirt and having our small herd of forest gnomes hand-wash it through triple filtered water from the streams of Narnia.

## DAMN TANK

Be a Damn diva, and wear our women's fit Damn Tank which is sure to get the guys wagging their tails. A fitted racerback tank top with our badass dog-face logo makes a bold statement and signifies your allegiance to the canine culture. Get this tank and it will become your go-to for those times when you want to look damn good.

This super soft, fitted, dual-blend top has been rinsed in the sacred waters of Atlantis and is made from hand-harvested cotton from the peak of Mt. Olympus, making it exceptionally comfortable. Throw on this tank and it feels like you are suddenly getting a hug from your best friend. Plus, did we mention you will look damn good?!
